COMMUTING OPTIONS FOR METROPOLITAN ATLANTA RESIDENTS

**REDUCE THE
MILES YOU
DRIVE**

**LIMITING
TRAFFIC
CONGESTION**

**IMPROVE AIR
QUALITY**

Returning to the workplace? Even if you love your coworkers, the stress of heavy traffic, gas and parking costs, and air pollution can be no fun. Georgia Commute Options offers resources and alternatives to make your commute easier on your wallet and on the environment.

By visiting www.gacommuteoptions.com, you can:

Estimate the financial cost of your commute using an online calculator.

Take advantage of interactive map(s) to find:

Carpools, vanpools, mass transit routes, bike routes, and walking routes between points in the metro region.

Locations for bike-sharing, park-and-ride, car-sharing, and other options.

Learn about cash incentive programs available when you take advantage of clean commute alternatives, which makes going green even more enticing!

**BETTER AIR,
BETTER LIFE!**
